

## Kimberly A. Helterbridle

Property Manager & Residential Sales

Formerly from Key West, I moved to the Melbourne area to pursue a career in real estate. I have been in the Real Estate business for 8 years and I enjoy it very much. What better way to make a living, then to sell such a beautiful place and meet so many interesting people?

My previous work history includes accounting and working for the US Senate. I have achieved the Million Dollar Producer & the Multi Million Dollar Producer Awards. I have no other job, so Real Estate is my only focus.

### Thinking of Selling?

Call or email me to get a free market analysis report on your home to find out the current value. We have an in-house lender, so we work with qualified buyers every day that are looking for homes just like yours.

### Thinking of Buying?

I offer a free weekly list via email or I can mail you one! Home lists include government homes, foreclosures, fixer uppers and just about anything that you're looking for. Don't fall for the advertisements that make you pay for a list. I have what you need and there will be no charge... Ever! We offer free mortgage pre-qualifying.

If buying or selling is not your forte, then maybe renting is. I am the Property Manager of Host Realty, Inc. If you are looking for reliable property management, please call me. We offer one time rentals or full service property management. We welcome absentee or local owners. Trust in me, then sit back and enjoy the benefits of your investments, without the hassles.

Whatever your Real Estate needs may be, you can count on me for friendly, reliable service. Call me at (321) 591-5296 or email me at [kim@hostrealtyinc.com](mailto:kim@hostrealtyinc.com).
